For over 50 years, **Al-Co Products** has worked hard at developing a line of products that stay in touch with current trends and customers' needs. We started out as a bathroom vanity top manufacturer but have since moved to every area of the home. We have products that emulate marble, granite, natural stone and even tile backsplashes. We create endless possibilities!

We produce a large selection of designs in sink bowls, countertops, shower bases, kitchen backsplashes and windowsills.

The Gerken Companies

Since our beginning, Gerken has worked to successfully build and improve infrastructure throughout northwest Ohio and southeast Michigan.

Gerken companies have continuously evolved to handle advances in technology, workforce needs, and industry regulations. Our track record demonstrates a unique ability to respond to any challenge.

Our dedicated workforce includes more than 500 men and women committed to providing quality construction and responsive customer service. Working with Gerken means having access to various support companies, which makes projects more efficient and cost-effective. Not surprisingly, we build lasting partnerships with our clients.

Haviland Drainage Products, Inc

100 West Main Street
P.O. Box 97
Haviland, OH 45851-0097
Phone: (419) 622-4611 or (800) 860-6294
<https://haviland-drainage.com/>

Haviland Clay Works was started in 1903 by A.J. Rust. At that time, it employed about 25 area residents and manufactured only clay tile. The clay was dug from fields adjoining the plant and was shaped and fired in large walk-in kilns. The company continued growing, and in 1965 changed ownership to the current owners. In 1978 they began manufacturing plastic tubing and became Haviland Drainage Products Inc. Throughout the years and the many changes, superb quality and excellent service have continued to remain. For more than five decades, **Haviland Drainage Products** has built its business on this rule: service to our customers is one of our top priorities. Beginning with our dedicated employees, our well-trained sales staff, and friendly order entry and shipping personnel, we are determined to provide superior drainage materials and service to you, our customer. We maintain a large inventory and our own fleet of trucks. With our manufacturing capabilities and quality control, be assured that you will receive prompt attention and delivery. If you are interested in employment, please submit your application in person or by mail.

www.havilandplastics.com

Haviland Plastic Products: At Haviland Plastics, we are striving to close the environmental loop in crafting our plastic containers for the horticulture industry. By making our containers out of recycled plastic, and by utilizing renewable energy in our manufacturing process, we help create a global green environment that both protects and preserves Mother Earth while manufacturing superior-quality nursery containers for the green industry.

HAVILAND PLASTIC PRODUCTS has immediate openings for machine operators and maintenance staff on all 3 shifts. We are looking for motivated individuals who can thrive in a fast-paced environment. If you would like to challenge yourself and see what's possible, please visit our website for information about employment and to submit an application.

Bowling Green State University's

20,000 students come from 50

states and 70 countries to learn, grow and design their personal and professional lives with the help of their BGSU support team. We're the perfect size — large enough for research, scholarships, internships and study abroad, but small enough that our students know their professors and classmates. Our students pick from more than 200 majors and program as they enjoy the security of our Falcon Tuition Guarantee to lock in their cost for all four years. Since we know that college is an investment, we offer scholarships that are renewable and automatic with awards that range from \$1,000 to full tuition. Students also enjoy our robust campus life with Division 1 athletic, Greek Life, competitive club sports and opportunities to design your academic and career path with internships that lead to jobs upon graduation. In fact, 97 percent of our graduates report their employed, in graduate school or starting their own business within six months of walking across that stage.

The University of Toledo

The University of Toledo is a nationally recognized public research university in northwest Ohio. University of Toledo enrolls just over 12,000 students from 45 states and 85 countries. We offer 15 division 1 sports and over 350 clubs and organizations that provide for an exciting campus life. Academically, we boast a 17-to-1 student to faculty ratio with an average class size of 31 students. Students can choose from over 130 undergraduate majors across 9 different academic disciplines.

Main Campus features six modern residence halls, a gothic bell tower, a Student Recreation Center, a state-of-the-art classroom center in one of our original buildings, Memorial Field House, opened fall 2008, a football stadium and new Savage Arena basketball and athletic complex. Health Science Campus is home to graduate health programs and the University of Toledo Medical Center, a Level 3 trauma center, offering innovative treatments for strokes and cancer found nowhere else in the state.

Colleges – We're among just 27 public universities in the country that offer so much at the undergraduate and graduate levels. We offer more than 300 undergraduate, graduate and professional programs. Some of our nationally ranked programs include business, engineering, law and occupational therapy.

OhioMeansJobs®

Defiance & Paulding Counties

A proud partner of the
American Job Center network

Assisting both employers and job seekers is what we do best at the **Paulding County OhioMeansJobs Center**. We can connect employers with employees, complete applicant testing, as well as helping employers with incumbent worker training. We're here to maximize employment potential for Paulding County businesses and employees, and thereby strengthen our whole community.

The local **OhioMeansJobs** center provides the following services to job seekers:

- **Resource Lab** – The resource lab has computers with internet access, a copy machine, a fax machine and job search and training provider information.
- **Job Readiness** – Tutorials and/or workshops are available on topics such as how to write a resume, how to conduct an effective interview well, use of assessment tools to determine your skill level, behavior traits, and suggested career pathway.
- **Job Leads** – Go www.defiancepauldingjfs.com to self-register for job leads, or stop by your local **OhioMeansJobs** center to review the boards with local postings.
- **Employment Specialists** are available to assist job seekers who qualify for further assistance such as training grants or supportive services.
